

Tutors Wanted

Reliable Software and Operating Systems

for SoSe 2019

- What** We are offering **positions for exercise tutors** for RSWOS (Module 20-00-0990-iv). The tutors prepare and moderate the weekly exercise session. They correct weekly homework & a mid-term test exam, and provide feedback for the students. Weekly office hours and exam preparation office hours should also be offered. Furthermore, the tutors take care of the course forum where they moderate and answer questions.
- Prerequisites**
- Solid knowledge of and interest in the course topics, i.e., passed RSWOS (or OS2) course at TU Darmstadt with a good grade
 - Communication skills and interest in sharing knowledge
 - Fluent in English (speech & writing); German optional yet beneficial
- Application** Send us an e-mail with the following info:
- Name, study program & semester
 - Semester and grade when you have taken the RSWOS (or OS2) course in Darmstadt
 - Other relevant information that may underpin your competences
- Contracts** Exercise Tutor: 39 h/month for 3 months
Please note that contract details are negotiable.
- Contact** **Oliver Schwahn**
